

TRIL INFOPARK LIMITED

CSR PROJECTS

Sr. No	Focus Area	Project Details	Project Plan
1	Environment	Lake Restoration Kelambakkam, Chennai, Tamil Nadu	Due to urbanization, this area's population is gradually increasing, and the groundwater is depleting slowly. The proposed project will help in restoring and increasing the water holding capacity of the lake would make this a prime water recharging structure in the area.
2	Environment	Urban Afforestation Chengalpattu, Tamil Nadu	Due to rapid urbanization, city is losing its green cover and thereby increasing risk of poor air quality, higher carbon emissions etc. The proposed afforestation project will help in restoring the lost green cover eventually leading to improved soil quality, surface water level and natural habitat.
3	Livelihood	Skill Building Chennai, Tamil Nadu	Marginalized youth from urban slums are vulnerable due to lack of quality education / skills and job opportunities. The proposed project will bring functional skills through focused programs and improve job readiness.
